About the Company

Neighbourly North is Whitehorse's largest Airbnb Superhost, and Yukon's largest furnished executive rental operator. We manage 30+ condominiums, suites and fully-detached homes located near downtown Whitehorse. We are passionate about hosting travellers, and take pride in representing the very best accommodations the Yukon has to offer.

We host business travellers and tourist groups looking for premium short-term rental accommodations during their stay in Whitehorse, providing a high level of customer service, cleanliness, and professionalism. Housekeeping is a crucial part of our operation and involves routine cleaning between guest groups, in addition to mid-stay cleans for long-term guests. Our housekeeping schedule is variable; some days include 5+ turnovers, whereas other days are slower.

Neighbourly North is looking to complement the existing team with passionate housekeeping staff that embody good hosts, good neighbours, and proud ambassadors of our brand. We love to work with motivated individuals who want to take on more responsibility, learn new skills, and grow alongside our company. There are endless opportunities at Neighbourly North to take on new roles and responsibilities.

Thoroughness is extremely important to us, to ensure a perfect check-in experience for our guests. The ideal applicant will have high attention to detail, and preferably exhibits the following traits:

- Familiarity with hospitality cleaning standards and products
- Takes pride in their work
- Ability to follow and improve the company cleaning protocol
- Ability to work independently and alongside a team
- WHMIS certificate an asset
- Ability to exercise independent judgement and work with autonomy
- The employee will need a safe driving record and a valid driver's license

Application

Please send your application to ben@neighbourlynorth.com including the following documents:

- CV
- 2-3 references

Only existing Yukon residents are invited to apply
